To declare a major or minor, the approved Plan of Study must be completed on side 2 of this form.
This **Suggested Plan of Study** is an opportunity for you to discuss with your faculty all of the major or minor requirements and draft a tentative academic plan to meet those requirements. Although this is an informal document, it is your responsibility to communicate changes to your academic plan with your advisors. Please check all relevant policies, including: (a) **minimum of 12 credits in upper-level major coursework** and/or at least 6 credits of upper-level minor coursework must be completed in residence; (b) **no grade below C- in upper-level courses** (some departments require all courses to be a C- or higher); (c) **no required coursework for the major or minor may be taken P/NP**.
