I plan to register for the following classes for the \_\_\_\_\_ semester:

Dept./Course # (ex. CHEM 1003)	Credits (max 13 credits)	Reason (ex. GPAC, major, exploratory)

Upon returning to good academic standing, I would like to also add:

Dept./Course # (ex. CHEM 1003)	Credits	Reason (ex. GPAC, major, exploratory)

I understand that as a student on academic probation, I am required to participate in the CCAS Academic Success Program or meet with the Office of Student Retention. I also understand that my participation will be taken into account when my academic standing is evaluated at the end of the semester.

- I have met with an Academic Success Coach or the Office of Student Retention throughout the semester and have participated, at least in part, in the programming outlined.
- I have not yet met with an Academic Success Coach or with the Office of Student Retention and have scheduled an appointment for \_\_\_\_\_ (Date and Time).
- I am aware of the requirements but choose not to meet with an Academic Success Coach or with the Office of Student Retention.
